## Tutoring Experience

Over the last 5 years, I have worked in both classroom and online settings, teaching Mathematics and Computer Science to secondary and high school students. My experience includes preparing students for IGCSE exams, focusing on problem-solving and computational skills, and guiding A-Level and IB students to achieve their academic goals.

I have also supported students with diverse learning needs, ensuring inclusivity and personalised instruction. Many of my students have improved their grades significantly, gaining confidence in their abilities and securing places in competitive academic programmes. My dedication to student success has been consistently praised by parents and colleagues alike.
