(2014–2016)

Khalifa University: BSc in Mathematics and Physics
(2010–2014)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 9 years, I have taught Mathematics to students at various academic levels, ranging from IGCSE to university-level coursework. My experience includes preparing students for IGCSE exams, where I focus on problem-solving skills and foundational knowledge in algebra, calculus, and geometry.

Additionally, I have guided A-Level and IB students through advanced mathematical concepts, such as linear algebra, statistics, and pure mathematics. Many of my students have gone on to secure top grades and places at prestigious universities. I am dedicated to fostering confidence and excellence in every learner I work with.
