🎓 **Qualified Tutor | Sorbonne University, Paris | MSc in Applied Mathematics**

I hold an MSc in Applied Mathematics from Sorbonne University and a BSc in Mathematics from École Polytechnique. With 5 years of experience, I specialise in IGCSE Maths and also teach A-Level and IB Mathematics. My focus is on helping students achieve their best through structured learning.

Teaches: IGCSE Maths A-Level Maths IB Maths

Curriculum: IGCSE A-Level IB

## Qualifications

**Sorbonne University:** MSc in Applied Mathematics (2018–2020)

**École Polytechnique:** BSc in Mathematics (2014–2018)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the last 5 years, I've worked with students across IGCSE, A-Level, and IB Mathematics curricula. My teaching experience includes guiding students through core mathematical principles, advanced algebra, calculus, and statistical methods. I've helped students excel in exams and gain admission to top universities worldwide.

In addition to individual tutoring, I've delivered group sessions focused on exam preparation and problem-solving techniques. Many of my students have developed a strong mathematical foundation, enabling them to tackle complex problems with confidence. I aim to foster a love for mathematics while ensuring academic success.
